# True Story

---

Just got married. Evicted from my apartment (5) months after. Car repo'd. No job. Ended up on welfare, sleeping on my mother-in-law's living room floor. Wife pregnant. The pressure is on. Trying tons of work-at-home programs, failing at everything and embarrassed as hell. Then after 3 and a half years of hardship, stupid mistakes, burning through tons of programs with borrowed money:

I went from bankrupt to \$400,000 in 12 months because I realized that people didn't get into a home business to push diet pills, lotions, potions, weeds and seeds, water filters, phone cards or any of that crap ... **THESE PEOPLE JUST WANT MONEY!**

The secret that made me almost a half-million dollars!

**Wanna hear it? - STOP HERE!**

**And listen to option # 4 on The Q-BOX**

---

Ok, so you made it this far. I guess that means you're serious ... MAYBE ... we'll see soon enough! If you're REALLY taking this seriously, then that means you've listened to the above recording and you're now banging your head against the wall, saying ... "WOW! ... Finally somebody said it! This guy just hit the nail on the head. He's right! ... I don't want to push some stupid products and I'm tired of embarrassing myself by chasing people like a total jerk ----- I just want some money!

Ok, cool. I can help you get some – Fast! NO B.S. All you gotta do is have some guts and an open mind to follow through on what I'm getting ready to show you. It's not for everyone, but ...

I'm helping people right now who have started receiving cash within (2) days, and that's with ...

**NO TALKING! NO SELLING! NO CHASING! NO EXPERIENCE!**

And I'm not here to sell you some stupid "Get Rich For Dummies" manual for \$24.95. I have no secret to sell. I don't play games. I'm going to **show you everything RIGHT NOW!** You can start working along with me and my team, within the next 24 to 48 hours and start receiving cash basically overnight.

# Face it. You envy them.

There are some great things out there to make money on the side, but High-End Affiliate Cash-Gifting put over \$80,000 in my pocket within my first (3) months. And in 14 years, I've never seen anything out there that works faster – Period!

**Introducing The ecosov Dream Tube System ® ...**

## **HANDS DOWN, THE LARGEST, RICHEST AND MOST ORGANIZED CASH GIFTING MACHINE ON THE PLANET!**

The ecosov Dream Tube System ® is a private wealth-building machine that allows you to create an infinite residual income almost overnight through the power of Advanced Affiliate Cash Gifting!

Starting at the initial membership level, the minimum monthly cash flow you can receive is \$2,000. The minimum membership is scalable and as you progress to our second Dream Tube ®, your minimum monthly cash flow can grow to \$6,000 monthly! When you progress to our third Dream Tube ®, your minimum monthly cash flow can grow to \$18,000! There are (3) tube levels at: \$2,000 (USD), \$4,000 (USD) and \$12,000 (USD) and any entry over \$2,000 equals either a \$6,000 combo or a \$18,000 combo.

Each Dream Tube ® builds to infinity and has an unlimited gifting potential. Cash Gifts are shipped directly to you in all cash, via overnight courier! ecosov ® does not act as a clearing-house. All funds come directly to you from new members entering the ecosov ® system or existing members within, so ecosov ® never handles your money for any reason. The money flows from member to member and we track it in our databases to make sure your accounts receivable stays accurate. In other words ... you have the fun of collecting all your cash and we stay on the job of managing the system that gets it to you!

**Incomes of \$8,000 cash in (2) days are presently being achieved at the lowest membership level!**

**\* Results are not guaranteed and your individual results may vary.**

**Ok, before I explain HOW the cash flows, I know you're probably saying to yourself... "What exactly is "Cash Gifting"?**

I don't know ... maybe you've done Cash Gifting before, so this explanation might be wasted on you, but if you haven't, let me explain ... it's simple really. "Cash Gifting" is the act of privately or publicly giving another person or an entity a declared sum of cash, strictly as a gift and to give it freely without coerce or consideration. In even simpler terms ...

Just imagine receiving an envelope with a large stack of hundreds in it, as a wedding gift. Nobody decided to buy presents. Everybody decided to just throw some cash your way to get you started, you know. It's actually a custom for some people. No strings attached. That's it!

## A MOVEMENT. A LIFESTYLE. REAL INDEPENDENCE!

*There is no such thing as a good or bad economy. A good economy is one that you're prepared for. Being prepared means having reserved capital to absorb losses and to take advantage of opportunities. So build capital. Be prepared! What flies high can crash, but having a few hundred million laying in the bank can take you right back on the G-5!*

**THE POINT IS TO BE FINANCIALLY SELF SUFFICIENT WITHOUT BEING ATTACHED TO ANYTHING!**

### **ecosov - Paying In Full For Cars, Houses - Everything!**

#### **Listen to option # 3 on The Q-BOX**

To be "economically sovereign" means that you're a self-governing individual, who is financially self-sufficient and not indebted or controlled in any way, by an outside source such as credit cards, loans, interest, etc.

This means that you exist as an individual who owns and controls his or her labor and income. Usually an entrepreneur, who is in possession of an ever-increasing capital base, that affords you the lifestyle of never having to borrow for any reason, because your wealth increases more rapidly than you can spend it. You act with self-discipline by only engaging in the purchase of material objects that are within your financial capacity. You never over extend or live beyond your means.

To achieve ecosov ® status you must possess specialized techniques or a specialized system that will allow you to generate wealth without working for someone else. A system that will produce an enormous residual cash flow **to allow the building of reserve excess capital** and release you from your perpetual debt cycle and place you into a position of financial independence.

#### **TO SIMPLIFY:**

It means that you're NOT in need of a credit report or credit score, because you have no need or desire for loans of any kind. Your bank account is filled with more than enough cash to satisfy any material desire.

You comfortably pay for everything in full – no matter how much. Even cars, homes, boats, planes, etc. An economic sovereign never allows another to enslave them into debt, under any circumstances!

## Lifestyle Money

---

**At this point a \$100-Grand a month  
Is just waaaaaay TOO DAMN EASY!**

When you reach this point, there is no more money to forward anywhere. All cash flows directly to you. **Cash will come either in lumps of \$12,000 or \$18,000, because sometimes the Red, Green and Black gifts will come combined!**

Look at the diagram to the left. Do you see how freakin easy this is to pull in six figures VERY, VERY QUIKCKLY? How do you think I recently just had two months of over \$400,000? This isn't brain surgery, so don't complicate it.

This is LIFESTYLE MONEY! Where you can pay off all your past due debt in 30 days and go splurge in the south of France if you want! And the best thing about it is ...

**IT'S RESIDUAL!!!**

**It keeps coming and coming and coming. Because every person who enters your cash tube has to give up one new enrollee to you before they can get released and become a "Sovereign"!**

**So you can literally start off your cash tube with JUST ONE NEW ENROLLEE and they can build the whole thing down to infinity WITHOUT YOU TOUCHING A THING! ... KA-CHING!**

Now answer this...

Are you pissed off yet that you're not in and missing out on all this good money?

... Yeah ... I thought you were!

*All cash from this point on continues to pay out in the same manner and it builds down to infinity! ☺*

### Dream Pod ®

# Be honest. You don't wanna recruit.

---

## You just want money. Am I right?

Here's a WIN-WIN marketing plan for the 95% who can't recruit or just don't want to!

**TRUTH:** 95% of "Home Business newbies" are NOT really entrepreneurs. They know you can make money from home, but DON'T know how and their schedule is too busy to "learn the art of doing business" ... So just give them a HUGE SYSTEM to point to and then let the BUSINESS PEOPLE do what they do best ... CLOSE SALES!

### HARD FACT # 1:

The majority of "home business newbies" don't REALLY want a business ... they want money! To relieve the bill crunch. To help with their kid's school tuition. To afford a second car, so mom and dad don't have to share. And the list goes on.

### HARD FACT # 2:

The home business newbie doesn't have time to learn the "art of doing business" ... they're too busy making a living! A boss fills most of their day. Then their spouse and kids want attention. Then there's only enough time to watch re-runs of "Seinfeld" and then go to bed to get ready for tomorrow's grind.

### HARD FACT # 3:

The "newbie" just wants relief. They want it easy. They want a QUICK solution like fast food. If some guy orders fries, they just wanna drop a basket and push a button ... THINK MCDONALD'S!

Cuz 97% of newbies aren't really cut out to be entrepreneurs. They just want MORE money ... Like yesterday!

And they want a system that can DELIVER! ----- THINK DOMINOS PIZZA!

And you don't have to be an entrepreneur to become wealthy. But you do have to invest in entrepreneurs that have the genius to create systems and companies that rake in cash! ...

THINK STOCK MARKET!

### So here's the T.L.P. (Team Leader Partnership) Solution:

- You join and mail out a pre-designed flyer and/or postcard with YOUR referral ID # on it.
- Million Dollar Professional Team Leader handles all the inquiries and signs up YOUR prospects FOR YOU!
- Team Leader receives a \$100 to \$300 recruiting bonus and you receive **either \$2,000 : \$6,000 : \$12,000 or \$18,000 cash, for each sign-up! *Cash comes by overnight courier!***
- That's it! ----- NO TALKING! NO SELLING! NO CHASING! NO HASSLE! – *Easy! Easy! Easy!*
- Flyers, postcards and lead sources are already prepared!
- Just put a stamp on a postcard or flyer and drop it in the mailbox! – *Simplify! Simplify! Simplify!*

# Are You Ready To Sign Up?

---

**My phone line is burning up with people who are anxious to talk to me, but I only speak to qualified prospects who take this seriously!**

**Talk To Q LIVE!  
1.888.289.9621 Ext. 103**

---

Are you qualified to get me on the phone?

**Let's See ...**

I do this full-time and I run a large operation, so as you can imagine, I'm extremely busy. I do actually speak to people personally, but I don't speak to everybody and I don't return phone calls just because somebody leave's a voicemail and says "Q, call me back" ..

**If you can answer YES to the following questions, then that means you're truly ready to join and we should talk ASAP! ...**

# Qualifying Questions:

---

1. Did you review my entire 25-page download, at least (4) times, without skimming, and have you listened to all of the recordings that were listed inside?
1. Did you listen to my entire "Q-Box"?
1. Did you choose a membership package?
1. Do you have all the cash to join at the particular level you've chosen?
1. Can you ship out your cash gift within 24-hours?

**If you CAN'T answer yes to ALL of the above questions, then you're NOT ready to join!**

If you CAN answer YES to all of the above, then you need to call me ASAP, so we can schedule an immediate appointment for either I or one of my other Team Leaders to get you signed up!

**Talk To Q LIVE!**  
**1.888.289.9621 Ext. 103**

---

## **IMPORTANT:**

If you don't get me live and you have to leave a voicemail, I will not call you back unless you do the following:

***Let me know in your message that you've reviewed EVERYTHING, give me your Referral ID number, tell me what membership package you've chosen and that you have your cash in hand - ready to get started ASAP!***

**If you're a prospect and I don't hear a message like you see above ...**

**I WILL NOT CALL YOU BACK ... PERIOD!**

A lot of people wanna talk to me and my time is reserved for those who take this seriously and can follow instructions! --- This is a test. If you can't follow these simple instructions, you'll never make any money here!

**Have you decided that you want to join, but are not yet ready, because you're saving or gathering up the cash and need a few questions answered in the meanwhile?**

No problem. E-mail me your questions and I'll send answers back. If your questions require a private phone conversation, then I will call you. See my e-mail address below, along with my rules on e-mail communication.

**Did you already sign up?**

**If you're on my team already, congratulations! Do this if you need me:**

Call me and if you don't get me live, leave your name, phone number, Referral ID and a BRIEF description of what you need. I'll get back to you within 24-hours. If I don't get you live, I'll leave answers on your voicemail and/or e-mail you with answers.

**Do you need to e-mail me?**

**Send to: Q@CashGiftings.com**

But read this carefully before you e-mail me ...

I get tons of e-mail everyday and I don't respond to everything. I get questions ... testimonials ... hate mail ... spam ... joint venture pitches and even flirtatious women who send me provocative pictures, but anyway ...

**I ONLY ANSWER E-MAILS THAT REQUIRE SHORT ANSWERS!**

**AND I ONLY ANSWER IMPORTANT E-MAILS!**

**I DON'T ANSWER THE FOLLOWING E-MAILS:**

1. You e-mail me with a question that's already answered in my websites, newsletters, Q-Boxes, e-book downloads, etc. .... (I hate repeating myself. This is a time waster)

2. You write me a novel with a hundred questions in it. (If you have that much to say, you need to call me instead. I can give you answers faster.)
3. You spam me. (This is obvious.)
4. You try to pitch me a side deal. (Not interested.)
5. You send me an e-mail with a blank subject. (I hit delete.)

**I DO ANSWER:**

1. Short, important e-mails from team-mates.
2. Short, intelligent e-mails from prospects.
3. Short questions NOT already answered in any of my material.
4. Thank you testimonials.
5. Marriage proposals. (I'll turn you down though. I'm taken.)

**Thank you for respecting my time and I look forward to helping all of you who truly take this seriously and are looking to expand your minds and your bank accounts!**
